

# International Conference on Sustainable Development in Engineering and Technology

**ICSDET 2025**

**Conference date:**

**30th April – 01st May 2025**

**The Research and Consultation Department, UTAS Al Mussanah  
(<https://events.act.edu.om/engg>)**

**Collaboration with**

Global College of Engineering and Technology, PO Box 2546, CPO Ruwi 112, Sultanate of Oman

## ICSDET2025 Overview

College of Engineering and Technology (UTAS Al Mussanah), in association with the Research and Consultation Department at UTAS Al Mussanah, in collaboration with the Global College of Engineering and Technology, Oman, is organizing a two-day International Conference on Sustainable Development in Engineering and Technology (ICSDET 2025) on 30th April – 01st May 2025. This conference will bring together researchers, professionals, and industry experts from fields such as Computer Engineering, Electronics and Communication Engineering, Mechanical Engineering, Electrical Engineering, and Civil & Architectural Engineering to discuss novel advancements and share research insights. As a global forum, ICSDET 2025 offers a platform for participants to exchange ideas, foster academia-industry cooperation, and promote sustainable development, all in alignment with Oman Vision 2040. The conference also emphasizes innovation, eco-friendly practices, and resilience in engineering to support Oman's goals for economic diversification, environmental preservation, and knowledge-driven progress.

## ICSDET2025 Key highlights

- **Target Audience:** Researchers, professionals, and industry experts in Computer Engineering, Electronics and Communication Engineering, Mechanical Engineering, Electrical Engineering, and Civil & Architectural Engineering.
- **Purpose:** Provides a global forum for discussing advancements in sustainable development, exchanging ideas, and sharing research insights in engineering and technology.
- **Goals:** To foster academia-industry cooperation, promote innovation, and support sustainable development.
- **Alignment with Oman Vision 2040:** Supports objectives in economic diversification, environmental preservation, and knowledge-driven progress through innovation and resilience in engineering practices.

## Keynote Speakers

**Dr. Ahmed Al Mashri**

Head of Electronics and Computer  
Engineering Department  
Chairperson, IEEE Oman Section,  
SQU

**Dr. Muhannad Y. Ahmed Obeidi**

Assistant professor and postdoctoral researcher,  
I-Form Advanced Manufacturing  
Research Centre,  
Mechanical and Manufacturing  
Engineering School-DCU

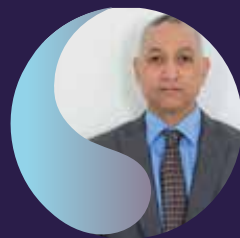

**Dr. Edstan Fernandez**

Lead - Technical Research,  
II-Form Advanced Manufacturing  
Research Centre  
Electrotechnik, Sydney

**Dr. Mohd Adib Ibrahim**

Director Solar Energy Research  
Institute (SERI), Level G, Research  
Universiti Kebangsaan Malaysia

**Dr. Ebrahim Abdulla Mattar**

Professor of Robotics and Cybernetics  
College of Engineering,  
University of Bahrain

## Expected Outcomes

We anticipate the following outcomes for the conference:

- **Research Papers:** Over 100 high-quality research papers will be presented, offering insights and innovations across various fields.
- **Keynote Presentations:** Five distinguished keynote speakers will share their expertise and thought leadership on relevant topics.
- **Participants:** We expect 200 - 300 participants delegates from diverse academic, research, and professional backgrounds, fostering a rich exchange of ideas and collaboration .

ICSDET 2025

## Sponsorship & Benefits

Companies are invited to become official sponsors for the conference and exhibition. The table below describes the different sponsorship levels and their corresponding benefits. Sponsorship will allow companies to promote their products and services to ICSDET 2025 audience and provide the opportunity to interact with other attending professionals.

Detailed information regarding sponsorship may be obtained from the sponsorship coordinator. Email: [adam.alnasseri@utas.edu.om](mailto:adam.alnasseri@utas.edu.om) or [ICSDET@utas.edu.om](mailto:ICSDET@utas.edu.om)

Benefits	Diamond (Above OMR7000)	Platinum (OMR 5000- 7,000)	Gold (OMR3000 -5,000)	Silver (OMR 1000-2,000)
Company name and logo in all conference materials	●	●	●	●
Free exhibitions stand space with fittings	●	N/A	N/A	N/A
Free conference attendance and dinner for delegates	4 Delegates	3 Delegates	2 Delegates	1 Delegates
Publicity materials in the conference pack	●	N/A	N/A	N/A
Company name and logo on conference website with link	●	●	●	●
Special plaque for sponsorship recognition	●	●	●	●
Executive officers treated as VIPs at opening and closing ceremony	●	●	●	●
Company logo display size in conference hall	Large	Large	Medium	Small

## Contact for Sponsorship

Detailed information regarding sponsorship may be obtained from the sponsorship coordinators.
